## GOV. READS HIS 14TH MESSAGE

IS THE LAST ONE OF THE SESSION

Senate Spends Most of the Day Considering Smith Fee and Salary Bill

Guthrie, Okla., Feb. 21.—Gov. Haskell's fourteenth special message to the Legislature delivered today indicated that it would probably be the last for the special session, as about all of the subjects, he said, had been submitted. In the Senate, President Pro Tem Graham presiding suggested that members interested in the matters should get their bills in by tomorrow, as there was a determined effort to end the session next week. The announcement brought applause in the Senate chamber.

The subjects referred to by the Governor today were regulation erection of bridges which are to be used for street car as well as public travel; requiring that the rate of interest now charged for deposits of State money be made applicable to deposits of all public money; for the release of chattel mortgages when same are paid; for exemption of fraternal insurance companies from payment of privilege taxes now imposed upon licensed companies; for taxing of mining properties held under lease for legislation upon the recall, with no suggestion, however, as to whether it would affect State, county, district or city officials; for purity of the ballot and prohibiting certain interests from contributing to the election of local officers, special reference being made to the persons engaged in the sale of whiskey and conducting gambling houses.

### Senate in Caucus

The Senate spent most of the day in caucus, considering the Smith fee and salary bill, and is is thought will have it in shape for final passage in the Senate tomorrow or next day. Senate committee reports recommended passage in the Senate eta ommended passage creating the positions in school land department, appropriating \$93,272.40 to reimburse the school fund for money illegally expended by the department; the Rogers resolution making Snyder's announced statutes the presumptive law of the State; Russell's bill authorizing appointment of special attorneys and Sheriffs to assist Grand Juries; the Taylor bill establishing a measure of mental anguish damages against telegraph companies; and the bill appropriating \$10,000 for heating and lighting plant at the Weatherford normal.

The Anthony bill fixing the maximum tax levies which may be made without a vote of the people was also recommended, being amended to allow counties one mill additional for roads and bridges, and levy sufficient to pay interest on indebtedness and to create sinking fund.

An unfavorable report was made upon the bill by Senator Allen requiring the working of convicts on the public roads, and authorizing the penitentiary warden to purchase tools, etc.

### On Stewart Bill.

The Senate reconsidered its vote on the Stewart bill terminating the guardianship as to personal property of a minor ward at marriage and then killed the bill by a vote of 14 to 13. The House bill by Paschal making Gage a court town in Ellis county was given the emergency clause and passed.

In the House Representative Lockwood presented a resolution regarding the recent controversy between the people of Marlow and the board locating the district agricultural schools, and calling for the investigating committee to look into the reports, as well as to investigate the locations of all the district agricultural schools. It was referred to the committee.

House committee reports killed the \$45,000 appropriation for the Claremore School, the \$200,000 appropriation for the McAlester penitentiary and the \$100,000 appropriation for the school for the deaf at Sulphur. The McAlester bill was ordered on the calendar by a vote of the House, but a vote to so treat the Sulphur bill failed.

The House advanced a large list of bills to third reading, among them that giving to cities of the first class

## NOT YET QUIET AT CAIRO, ILL.

CORONER'S JURY DOES NOT FIX MURDER BLAME.

Chief of Police Egan's Testimony Hurts Sheriff Nellis' Case. Jury Dissolved.

Cairo, Ill., Feb. 22.—No individual Deputy Sheriff was named in the verdict of the Coroner's Jury which investigated the death of Alexander M. Halliday, who was killed in the mob Thursday night seeking the life of John Pratt, the negro purse snatcher. The verdict was returned tonight soon after the taking of the testimony of many witnesses.

It found that Halliday came to his death by a gunshot wound caused by a weapon held in the hands of one of Sheriff Fred D. Nellis' deputies, fired from the north window of the Circuit Clerk's office in the court house.

The happenings of the day did not tend to allay the excitement of the citizens. Judge W. N. Butler dissolved the grand jury at the request of the jurors and now Sheriff Nellis will have the selection of a new grand jury which probably will convene March 7.

In addition to dissolving the grand jury, Judge Butler adjourned court for two weeks because of the unusual excitement. The arrival of Company H, of Shelbyville, made the number of militiamen on duty here about 350. The new arrivals immediately began the patrolling of the city.

The Coroner's Jury recalled several of the negro Deputy Sheriffs and quizzed them as to who fired the rifle that used steel jacketed bullets. Each witness denied being responsible for Halliday's death. Chief of Police Egan told the jurors that Sheriff Nellis refused to allow him to go to Halliday's body in the courtyard.

## BIG FIGHT COMES OFF TODAY

Nelson and Wolgast in Great Shape for Championship Fight This Afternoon.

San Francisco, Feb. 22.—Battling Nelson and Ad Wolgast, the lightweights, who will battle for the championship this afternoon at Richmond, on the eastern shores of San Francisco Bay, have ceased training and are ready for the time keeper's signal to start them on their 45-round journey.

Each fighter expressed himself tonight certain of victory and the consensus of opinion of fight followers presages a contest that will make ring history. The feeling between the rival pugilists is extremely bitter and there is no question but the battle will carry with it more than the purse and title.

Nelson and Wolgast are well under the required 133 pounds, ringside weight, the champion being the heavier by a few ounces. Wolgast said:

"I desire to win this championship in a clean, sportsmanlike manner—that is, I do not want to win it on a foul—and unless I am rendered helpless by such tactics I shall overlook them."

Champion Nelson also expressed his determination to waive fouls unless they were of a serious nature.

Although the weather bureau predicts showers for tomorrow, the advance sale indicates a record-breaking attendance, rain or shine.

Betting on the result is heavy.

the odds favoring Nelson at 10 to 7 but with plenty of short end money in evidence. Considerable wagering on the eve of the contest is registered, even money being offered that Wolgast would stay twenty-five rounds.

### OF INTEREST TO THE CONSUMER.

Hard-working citizens who are  
hustling to keep the family income  
ahead of increasing prices due to the  
Aldrich-Taft tariff will learn with  
interest that William G. Rockefeller  
has quit breeding beagles, a useful  
industry to which he has devoted \$25-  
000 a year for ten years.

Mr. Rockefeller's \$80,000 kennels  
will shortly be idle. If prices keep  
on advancing until next winter, per-  
haps he might be induced to let them  
at low rents to those unable to  
stretch an ordinary income suffi-  
ciently to purchase the necessities of  
life.

### NEGRO SUFFRAGE RESULTS IN TORTURED HOMES

The fiendish acts of late occur-  
rence by negroes in Northern cities,  
clearly emphasizes the fact that the  
greater amount of recognition ac-  
corded the negro, the greater men-  
ace to society he becomes. The award  
of the ballot to the negro has been  
primarily responsible for the untold  
sufferings and indescribable humili-  
ations he has inflicted, and continues  
to inflict upon many homes through-  
out the country.

Wherever not within constitutional

limitation, the right of suffrage  
should be taken from the negro.

About the cheapest political gag  
ever sprung by any party under any  
conditions was that of the republi-  
cans filing charges against Governor  
Haskell for misappropriating state  
funds. The farce was knocked sky  
high within twenty-four hours and  
now the republicans are busy figur-  
ing on some new scheme that will  
not die in the shell, to use as cam-  
paign buncomb.—Oklustee Optimist.

The laboring people contiguous to  
Enid were made glad by the passage  
of Senate Bill No. 17 in the house  
of Feb. 15th. This bill provides for  
the establishing of a free employ-  
ment bureau by the state at that  
point and will fill a long felt neces-  
sity in that locality.

The house passed Senate Bill No.  
28 by Graham, Feb. 15th, by a vote  
of 83 to 1. The bill provides for the  
regulation of contracts of surety be-  
tween common carriers and their em-  
ployees and sureties upon such con-  
tracts and fixes penalties for viola-  
tion.

President Taft's defense of the tar-  
iff consists in pointing to the re-  
moval of duty from hides. But that  
doesn't keep the trusts from skinning  
us alive in everything else.

Speaker Cannon says he has al-  
ways fought for the people. Yes, as  
a dog fights for a bone.

Hogs have reached the record price.  
Their human proteges seem to be  
getting the money.

### GENERAL ABE CROW STILL IN BATTLE FRONT

General Abe Crow, after four weeks  
illness, is again mingling among his  
friends. While his continued illness  
effected to some extent, Uncle Abe's  
ginger supply, he is still optimistic  
and busy with the important, if fine-  
ly sentimental, duties of his U. C. V.  
commandership.

### Senator Smith Improving.

Washington, Feb. 22.—Senator Wil-  
liam Alden Smith of Michigan, who  
yesterday underwent a surgical opera-  
tion for appendicitis at the Homeo-  
pathic hospital here, passed a rather  
uncomfortable night but was report-  
ed by his physicians this morning as  
resting easy with his condition some-  
what better.

### OKLAHOMA DEATHS

Lawton, Okla., Feb. 21.—With the  
whole left front and top of his skull  
crushed in with a claw hammer, a  
bullet wound piercing his heart and  
lying stretched on the floor near the  
front floor of, his own home, eight  
miles east of Fletcher, J. F. Mitchell,  
teacher in the Cannon School near  
Fletcher, was found at 10 o'clock  
this morning.

A Mexican was arrested and placed  
in the county jail, charged with the  
murder.

Muskogee, Okla., Feb. 21.—Patrick  
Finn, 50 years old, the powder man  
for a stone crushing company, asleep  
on the track, was run over by a  
Frinsco train at Fort Gibson today  
and killed.

Guthrie, Okla., Feb. 21.—Secretary  
of State Bill Cross has been notified  
of the death of Gen. Edmund Mc-  
Kenna of Poteau, which occurred  
suddenly last Saturday. Gen. McKen-  
na was a prominent Confederate  
veteran.

## DEATH CLAIMS DR. M'MILLAN

LEAVES THIS WORLD AT SIX  
O'CLOCK.

One of Ada's Best Citizens and Lead-  
ing Professional Men Succumbs  
After Long Illness.

Dr. C. W. McMillan died this morn-  
ing at 6:10 o'clock after an illness of  
several months. Something like a  
year ago he was seized with a cold  
which later developed into the dread-  
ed and fatal tuberculosis. He sought  
relief on the high plains of western  
Kansas, but not improving he re-  
turned to spend the remaining days  
with his estimable and devoted fam-  
ily, a wife and two sons. For months  
he has been helplessly confined to  
his bed, put never complaining in  
the least degree. He was brave to  
the last, aware all the while that he  
soon must yield, yet cheerful and  
stoical in the face of the inevitable.

Further mention of the deceased  
will appear in these columns Wed-  
nesday.

The funeral services will be held  
at the home on the corner of 14th and  
Townsend, Wednesday at 2:30. Rev.  
J. D. White and Rev. O. E. Fowler,  
officiating. Following, interment of  
the remains will take place at Rose-  
dale cemetery.

## WANTS NEGRO BRUTE HUNG

Prosecuting Attorney of Kansas City  
Asks for Death Penalty for  
Black.

Kansas City, Feb. 22.—Seven little  
girls were taken before the grand  
jury Saturday to tell of the alleged  
attacks upon them by William Jack-  
son, negro janitor of the Adline flats,  
in which the girls lived. Prosecutor  
Conkling says he will ask that the  
death penalty be inflicted, which is  
provided for that offense in Missouri.  
Jackson, who was arrested Friday,  
at the examination before police cap-  
tain Whitsett and assistant prose-  
cutor Higgs admitted the crimes. He  
declared he bought the gifts for the  
girls and induced them to go into  
the furnace room.

During the examination at the po-  
lice station patrolman Ake, uncle of  
one of the girls, drew a revolver and  
tried to shoot Jackson, but was pre-  
vented by other policemen.

### ODELL AGAINST WOODRUFF.

Visit of New Yorker to Washington  
Starts a Rumor.

Washington, Feb. 22.—The ap-  
pearance of former Governor B. B.  
Odell of New York at the capitol to-  
day and his conference on the floor  
of the house of representatives with  
members of the New York delegation  
caused a flurry of excitement among  
political watchers, and soon started  
the rumor flying that Mr. Odell had  
come to Washington with the purpose  
of lining up the New York congress-  
men against the re-election of Tim-  
othy L. Woodruff as Republican state  
chairman.

The report met with uat denial. It  
was stated that Mr. Odell had come  
to Washington to attend the annual  
dinner of the Tapeworm club Mon-  
day night. The inquiries as to Mr.  
Odell, however, brought out the fact  
that Representative E. B. Vreeland of  
New York is to be urged for Mr.  
Woodruff's place, and that he will  
probably have the support of many  
members if the congressional dele-  
gation.

ter who is charged with horse steal-  
ing.

### Afternoon Session.

Oscar Poe came to trial about 2  
o'clock with a charge of horse steal-  
ing against him. Jimmie Underwood,  
an Indian, was the plaintiff and ow-  
ing to his inability to savvy the Eng-  
lish language an interpreter was  
necessary to get the business in  
shape so it could be handled. The  
testimony was that Underwood's  
horse was taken from his lot near  
Jesup about January 4, 1908. S. W.  
Frederick, marshal of Maud, arrested  
Poe with a horse which he turned  
over to Underwood. J. J. Lindly, who  
lives near Maud, saw the ho se and  
recognized it as Underwood's.

Poe was put on the stand and  
swore that he bought the horse at  
Beggs, paying \$60 for it. On January  
4 he was in the Creek nation. He ad-  
mitted having been arrested at Maud.

It was brought out in the trial that  
Poe, some time ago, escaped the  
county jail here, running out of the  
jail yard. He had no witnesses by  
whom to prove his alibi.

At four o'clock the jury had not  
returned a verdict.

the future for a court house.

### BARK SIGHTS BUOY AT SEA.

Philadelphia, Feb. 22.—A life buoy  
marked with four letters, which  
may have been from the missing  
United States naval tug Nina, was  
sighted drifting at sea by the bark  
Good News, now in port from Jack-  
sonville. Captain Strickson of the  
bark says that on February 11 he  
passed considerable wreckage, among  
which was the buoy. The captain did  
not know the Nina was missing and  
did not make a close inspection of  
the buoy.

## POLICEMEN ENTER STREET CAR STRIKE

UNION LEADER IS PLACED UN-  
DER ARREST.

200 Soldiers Sworn on Duty—Strik-  
ers Attempt to Work May  
Cause Trouble.

Philadelphia, Pa., Feb. 22.—Police  
officials took the initiative last night  
in the war being waged between the  
striking car men and the officials  
of the Philadelphia Rapid Transit  
company, when they arrested Clar-  
ence O. Pratt, the National organiz-  
er of the Amalgamated Association  
of Street and Electric Railway Em-  
ployes, on a warrant charging him  
with "conspiracy to incite a riot."  
The warrant was served on Pratt  
as he was leaving an automobile in  
which he had attended today's mass  
meeting of the union carmen. He was  
locked up in the city hall and held  
to await a hearing tomorrow. It is re-  
ported warrants have been issued  
for other labor leaders as a result  
of a conference held late today be-  
tween District Attorney Roland, Di-  
rector of Public Safety Clay and Mag-  
istrate Heaton.

### Police Force Augmented.

The police force was augmented to-  
night by cwearing in for riot duty  
the State Fencibles, an independent  
organization of 200 members not af-  
filiated with the national guard, but  
which served during the Spanish war.  
Under the agreement which they  
hold their armory from the city they  
are obliged to perform police duty  
when called upon. They will appear  
in their regular uniforms, armed with  
rifle and bayonet.

Plans are also being discussed to-  
night by commanders of three regi-

ments of the Philadelphia National  
Guard to mobilize their troops at a  
moment's notice. The mayor is en-  
titled to call upon these troops un-  
der a special act of the Assembly.  
Adjutant General Stewart is here and  
if necessary a call for outside troops  
can be made at any time, but this  
is not contemplated at present.

The regular force of 3,500 police  
and 3,000 specials was augmented to-  
day by the swearing in of sixty-six  
park guards and 500 city employes  
of other departments. These men will  
begin service tomorrow and relieve  
the worn-out policemen.

### WANTS PACKERS IMPRISONED.

New Jersey Prosecutor Says He Will  
Not Be Satisfied With Fines.

New York, Feb. 22.—Prosecutor  
Garven of Jersey City said today that  
if indictments are handed down by  
the Hudson county grand jury  
against the directors of the National  
Packing company he will not be sat-  
isfied with fines, but will move for  
imprisonment, in cases of conviction.  
The extreme penalty for conspiracy  
in restraint of trade under the New  
Jersey law is three years imprison-  
ment and \$1,000 fine.

Hudson grand juries have been  
known to change their minds after

## FEW MARRIAGE LICENSES ISSUED

ONLY EIGHT UP-TO-DATE THIS MONTH.

Matrimony Business Is on the Slow Order—Twenty-five Issued in January.

What's the reason the matrimony business is on the drag?

An examination of the license record this morning showed that it is so. Up to today there have been but eight marriage licenses issued this month. The first one was issued on the 5th and the last one on the 19th. That's a poor record for Ada and pontotoc county wherein live as pretty girls as anywhere on the map. So the scarcity of girls—pretty girls, too—is not the reason of such a small number of weddings. When asked if he thought the high cost of living was the cause, the clerk said no, that the high cost of living, or anything else, wouldn't keep a fellow from marrying when he once gets "sot" in his notion. And another thing—here's encouragement for the "old single boys"—the best way to combat the high prices is for the boys to marry his one best girl, settle down and save his money. Do that and the high prices won't hurt you much. The clerk said this and he ought to know as he's seen a lot of 'em go this way.

### January Did Very Well.

Now the month of January did very well. Twenty-eight papers were issued and they began right at the first and kept the pace until near the last. The first license was put out on the first day and the last one on the 29th.

## WAS ENTHUSIASTIC MEETING

Number of Elks Assembled at 25,000 Club Room in Interest of the Order.

Another enthusiastic meeting was held in the rooms of the 25,000 club by the Elks last night with the result of a decision to organize a lodge in Ada, and a charter list will be made up at once and sent to headquarters. A representative crowd was present, and a number telephoned their regrets of not being able to be on hand but were heartily in favor of the organization movement.

He is not dangerously ill but his condition is such that recovery will be slow and he desired to be at home. Mr. Marsteller has been staying at the home of G. W. Swafford.

## TO THE PUBLIC.

Having purchased the interest of my partner, T. J. Daugherty, in the hardware business formerly conducted under the firm name of "Collins & Daugherty," we will continue in business at the old stand in the J. K. Reed building, on the South side of Main street, in the City of Ada, Oklahoma.

We wish to thank our friends and patrons for all past favors and hope to merit and receive their continued patronage.

We expect to carry a complete line of hardware, and try to please you by meeting all honest competition, and by giving you just and honest treatment at all times. We would like to see you at our store and promise you value received for every dollar spent with us.

Believing that we can serve our customers better and save them money by doing so, we will, beginning March 1st, 1910, sell for cash only, except builders hardware which we will carry on account until building upon which it is being used is completed.

We do this not because we have lost faith in our fellow men, but because it will permit us to pay cash for our goods, and take the discount on our bills, thereby enabling us to give our patrons lower prices than we could do and run a credit business.

Mr. Wardlow will remain with us, and every body knows that they get a square deal when they trade with "Tobe."

Our motto shall be, "Low Prices and a Square Deal for Cash." Yours very truly, J. M. COLLINS. "Everything in Hardware."

## EXERCISES AT SUNRISE SCHOOL

WASHINGTON'S BIRTHDAY IS OBSERVED.

Hon. Robert Wimbish Delivers Address—Rev. White Unable to Be on Program.

The exercises at Sunrise school in honor of Washington's birthday were apparently greatly enjoyed by all the visitors present.

Every one regretted that owing to the death of Dr. MacMillan, Rev. White could not be present.

After assembling in front of the building the school sang our national song, "America."

This was followed by an essay on "The Life of Washington," delivered in a very creditable manner by Guy Woodard.

The captains of the third and fourth grades then raised the flag, which was greeted with applause.

The Third and Fourth grades then sang a song, "Salute the Flag," at the close of which the whole school joined in a verbal salute in which they pledged "their hands, heads, and hearts," to their country and the "one flag."

The company then repaired to Mr.

McCurry's room where Hon. Robt. Wimbish delivered an appropriate address, which was greatly enjoyed by all and which should be an inspiration to every boy and girl present. After the address the school was dismissed for the rest of the day.

## REDISTRICTING BILL IN SHAPE

NUMBER OF JUDGES IS INCREASED ONE.

Judicial Districts Are Reduced Three in Number. Complete List of Districts.

Guthrie, Ok., Feb. 22.—The joint democratic caucus has worked into shape the bill redistricting the State judicially, which reduces the number of judicial districts three in number and increases the number of judges one. At present there are no more than two judges regularly assigned to a given district, whereas, under the proposed apportionment, some will have three judges. In such cases, however, the districts being proportionately enlarged by the number of counties. The largest district is the Seventeenth, with three judges, and to be composed of twelve counties. Under the rule, where a district has more than one judge and the district is composed of more than one county, no more than one judge may be elected from the same county. Judges are to be elected at large within the district, thus insuring a district in place of a county control.

The following are, the districts proposed in the bill, subject to one or

two other changes.

District No. 1—One judge, five counties: Adair, Cherokee, Delaware, Sequoyah and Mayes.

District No. 2—Two judges, six counties: Craig, Nowata, Rogers, Ottawa, Washington and Osage.

District No. 3—Three judges, six counties: Muskogee, McIntosh, Pittsburg, Hughes, Pontotoc and Coal.

District No. 4—Two judges, six counties: Haskell, Latimer, LaFlore, Choctaw, McCurtain and Pushmataha.

District No. 5—One judge, two counties: Bryan and Marshall.

District No. 6—One judge, two counties: Atoka and Johnston.

District No. 7—One judge, two counties: Love and Carter.

District No. 8—One judge, three counties: Wagoner, Okmulgee and Okfuskee.

District No. 9—One judge, three counties: Lincoln, Pottawatomie and Seminole.

District No. 10—One judge, two counties: Logan and Kingfisher.

District No. 11—One judge, two counties: Creek and Payne.

District No. 12—One judge, three counties: Grant, Kay and Noble.

District No. 13—Three judges, five counties: Cleveland, Garvin, McClain, Murray and Oklahoma.

District No. 14—Two judges, three counties: Comanche, Jackson and Tillman.

District No. 16—One judge, four counties: Blaine, Custer, Kiowa and Washita.

District No. 17—Three judges, twelve counties: Beckham, Dewey,

Ellis, Harmon, Greer, Roger, Mills, Woods, Woodward, Harper, Beaver, Texas and Cimarron.

District No. 18—One judge, three counties: Alfalfa, Garfield and Major.

District No. 19—One judge, two counties: Pawnee and Tulsa.

It is figured that not to exceed five or possibly six of the districts will not be democratic, and it is possible that a change will be made in the Logan-Kingfisher county district, known to be republican, by adding other counties on the south.

Provision is made in the bill for a transfer of the court business of a county from one district to another when the county is likewise transferred from one district to another, and if at the time the act takes effect the new district calls for more judges than now exist, the governor is empowered to appoint them. The bill carries the emergency clause.

### The Fighting Parson.

God bless her. A heart of gold. A mind as broad and pure as the heavenly blue. Would that this country contained more such souls. Robert Spaulding in "The Fighting Parson."

Robt. Spaulding known as "The Fighting Parson" is the leading character in W. F. Mann's production of the same title that comes to the opera house on Thursday, Feb. 24.

It's a pastoral comedy drama written by John A. Preston whose success as a playwright needs no introduction to the theatre going public. All the dramatic critics claim this to be Mr. Preston's best work and Mr. W. F. Mann, that successful producing manager of Chicago, has mounted the piece with special settings and a cast second to none. It's a well told story of a young minister's struggle for right and success against so many odds but his faith in God is strong, never gets discouraged and has but one maxim. There is some good in all of us. His love scenes are tender and pathetic. His emotional scenes strong and stern. This combination in a character makes it one to be admired. It's a great moral sermon, with a strong heart interest. You laugh, you shed a tear and leave the theater feeling that there is still good in this grand and glorious world and put your faith in God. Characters like "The Fighting Parson" cannot help but succeed, which of course, he does.

### HAVEN'T GIVEN UP HOPE.

Relatives Still Expect to See Men Aboard Missing Nina.

Washington, Feb. 22.—Hope of again seeing their loved ones, who in the service of the country left Norfolk February 6 in the little United States navy tug Nina, bound to Boston, which has been missing, still lingers in the hearts of the parents, wives and kin, even though officials of the United States navy have given up the vessel as lost.

"I have not given up hope of seeing my boy again, as I believe the Nina has been driven farther out into the ocean," said Mrs. N. L. Fowler, mother of Clarence E. Fowler, chief boatswain's mate of the Nina, at his home here today. "His wife is still at Norfolk awaiting his return but my other son expects to go there shortly and bring her to Washington."

Boatswain Croghan's father, who lives here, says he will never give up hope of seeing his son alive.

### Oklahoma Postmasters.

Washington, Feb. 22.—The following fourth-class postmasters have been appointed for Oklahoma. Calumet, Canadian county, H. A. Todd, vice B. E. Cook; Camet, Woods county, C. C. Hall, vice T. R. York; Huttonville, McIntosh county, W. L. Harrison, vice A. J. Hutton; Jimtown, Love county, B. B. Hodges, vice J. A. Cunningham; Surprise, Beaver county, John G. Burditt, vice M. E. Ulmer; Gee, Pushmataha county, B. F. Johnson, vice H. V. Gee; Tyrola, Pontotoc county, E. Duren, vice R. W. Carnes.

### CAUSES DEBILITY.

Here Are Facts Backed Up by a Strong Guarantee.

Catarh causes debility. In our opinion, most people suffering from general debility have catarh. Such cases of debility cannot be completely cured by medicine not designed to eradicate catarh. In every case where our remedy fails to give entire satisfaction we will not charge a cent for the medicine employed during the trial. Now, surely no one should hesitate to believe us or to put our claim to a practical test under such conditions. We will take all the risk; no one else can lose anything by the transaction.

We make these statements and this offer because we know and have time and again proved that Rexall Mucutone rarely fails to do as we claim. It is not a cure-all prescribed to cure every disease that flesh is heir to. It is intended for one purpose, i. e., to cure catarh by assailing the diseased condition in a reasonable, scientific way, which is to employ agents that have been found to have the tonic and alternative power to correct faulty metabolism (tissue change) and to stimulate and help nature overcome the cause or causes of catarh. This being done, appetite increases, nutrition improves, weight is gained, comfort of body is attained and life's work taken up with the zest natural to the perfectly healthy individual.

We want you to try Rexall Mucutone. Follow directions and take it regularly and consistently for a reasonable length of time. Then, if you are not satisfied, come back and tell us and the money you paid for the treatment will be returned without any argument whatever.

Rexall Mucutone comes in two sizes, 50c and \$1.00 a bottle. Sold only at our store—The Rexall Store. The Gwin & Mays Drug Co., West Main St.

## GOV. READS HIS 14TH MESSAGE

IS THE LAST ONE OF THE SESSION

Senate Spends Most of the Day Considering Smith Fee and Salary Bill

Guthrie, Okla., Feb. 21.—Gov. Haskell's fourteenth special message to the Legislature delivered today indicated that it would probably be the last for the special session, as about all of the subjects, he said, had been submitted. In the Senate, President Pro Tem Graham presiding suggested that members interested in the matters should get their bills in by tomorrow, as there was a determined effort to end the session next week. The announcement brought applause in the Senate chamber.

The subjects referred to by the Governor today were regulation erection of bridges which are to be used for street car as well as public travel; requiring that the rate of interest now charged for deposits of State money be made applicable to deposits of all public money; for the release of chattel mortgages when same are paid; for exemption of fraternal insurance companies from payment of privilege taxes now imposed upon licensed companies; for taxing of mining properties held under lease for legislation upon the recall, with no suggestion, however, as to whether it would affect State, county, district or city officials; for purity of the ballot and prohibiting certain interests from contributing to the election of local officers, special reference being made to the persons engaged in the sale of whiskey and conducting gambling houses.

### Senate in Caucus

The Senate spent most of the day in caucus, considering the Smith fee and salary bill, and is thought will have it in shape for final passage in the Senate tomorrow or next day. Senate committee reports recommended passage in the Senate of the bill creating the positions in school land department, appropriating \$93,272.40 to reimburse the school fund for money illegally expended by the department; the Rogers resolution making Snyder's announced statutes the presumptive law of the State; Russell's bill authorizing appointment of special attorneys and sheriffs to assist Grand Jurors; the Taylor bill establishing a measure of mental anguish damages against telegraph companies; and the bill appropriating \$10,000 for heating and lighting plant at the Weatherford normal.

The Anthony bill fixing the maximum tax levies which may be made without a vote of the people was also recommended, being amended to allow counties one mill additional for roads and bridges, and levy sufficient to pay interest on indebtedness and to create sinking fund.

An unfavorable report was made upon the bill by Senator Allen requiring the working of convicts on the public roads, and authorizing the penitentiary warden to purchase tools, etc.

### On Stewart Bill.

The Senate reconsidered its vote on the Stewart bill terminating the guardianship as to personal property of a minor ward at marriage and then killed the bill by a vote of 14 to 13. The House bill by Paschal making Gage a court town in Ellis county was given the emergency clause and passed.

In the House Representative Lockwood presented a resolution regarding the recent controversy between the people of Marlow and the board locating the district agricultural schools, and calling for the investigating committee to look into the reports, as well as to investigate the locations of all the district agricultural schools. It was referred to the committee.

House committee reports killed the \$45,000 appropriation for the Claremore School, the \$200,000 appropriation for the McAlester penitentiary and the \$100,000 appropriation for the school for the deaf at Sulphur. The McAlester bill was ordered on the calendar by a vote of the House, but a vote to so treat the Sulphur bill failed.

The House advanced a large list of bills to third reading, among them that giving to cities of the first class

## NOT YET QUIET AT CAIRO, ILL.

CORONER'S JURY DOES NOT FIX MURDER BLAME.

Chief of Police Egan's Testimony Hints Sheriff Nellis' Case. Jury Dissolved.

Cairo, Ill., Feb. 22.—No individual Deputy Sheriff was named in the verdict of the Coroner's Jury which investigated the death of Alexander M. Halliday, who was killed in the mob Thursday night seeking the life of John Pratt, the negro purse snatcher. The verdict was returned tonight soon after the taking of the testimony of many witnesses.

It found that Halliday came to his death by a gunshot wound caused by a weapon held in the hands of one of Sheriff Fred D. Nellis' deputies, fired from the north window of the Circuit Clerk's office in the court house.

The happenings of the day did not tend to allay the excitement of the citizens. Judge W. N. Butler dissolved the grand jury at the request of the jurors and now Sheriff Nellis will have the selection of a new grand jury, which probably will convene March 7.

In addition to dissolving the grand jury, Judge Butler adjourned court for two weeks because of the unusual excitement. The arrival of Company H. of Shelbyville, made the number of militiamen on duty here about 350. The new arrivals immediately began the patrolling of the city.

The Coroner's Jury recalled several of the negro Deputy Sheriffs and quizzed them as to who fired the rifle that used steel jacketed bullets. Each witness denied being responsible for Halliday's death. Chief of Police Egan told the jurors that Sheriff Nellis refused to allow him to go to Halliday's body in the courtyard.

## BIG FIGHT COMES OFF TODAY

Nelson and Wolgast in Great Shape for Championship Fight This Afternoon.

San Francisco, Feb. 22.—Battling Nelson and Ad Wolgast, the lightweights, who will battle for the championship this afternoon at Richmond, on the eastern shores of San Francisco Bay, have ceased training and are ready for the time keeper's signal to start them on their 45-round journey.

Each fighter expressed himself tonight certain of victory and the consensus of opinion of fight followers presages a contest that will make ring history. The feeling between the rival pugilists is extremely bitter and there is no question but the battle will carry with it more than the purse and title.

Nelson and Wolgast are well under the required 133 pounds, ringside weight, the champion being the heavier by a few ounces. Wolgast said: "I desire to win this championship in a clean, sportsmanlike manner—that is, I do not want to win it on a foul—and unless I am rendered helpless by such tactics I shall overlook them."

Champion Nelson also expressed his determination to waive fouls unless they were of a serious nature.

Although the weather bureau predicts showers for tomorrow, the advance sale indicates a record-breaking attendance, rain or shine.

Betting on the result is heavy.

the odds favoring Nelson at 10 to 7 but with plenty of short end money in evidence. Considerable wagering on the eve of the contest is registered, even money being offered that Wolgast would stay twenty-five rounds.

### OF INTEREST TO THE CONSUMER.

Hard-working citizens who are  
hustling to keep the family income  
ahead of increasing prices due to the  
Aldrich-Taft tariff will learn with  
interest that William G. Rockefeller  
has quit breeding beagles, a useful  
industry to which he has devoted \$25-  
000 a year for ten years.

Mr. Rockefeller's \$80,000 kennels  
will shortly be idle. If prices keep  
on advancing until next winter, per-  
haps he might be induced to let them  
at low rents to those unable to  
stretch an ordinary income suffi-  
ciently to purchase the necessities of  
life.

### NEGRO SUFFRAGE RESULTS

#### IN TORTURED HOMES

The fiendish acts of late occur-  
rence by negroes in Northern cities,  
clearly emphasizes the fact that the  
greater amount of recognition ac-  
corded the negro, the greater men-  
ace to society he becomes. The award  
of the ballot to the negro has been  
primarily responsible for the untold  
sufferings and indescribable humili-  
tations he has inflicted, and continues  
to inflict upon many homes through-  
out the country.

Wherever not within constitutional

limitation, the right of suffrage  
should be taken from the negro.

About the cheapest political gag  
ever sprung by any party under any  
conditions was that of the republi-  
cans filing charges against Governor  
Haskell for misappropriating state  
funds. The farce was knocked sky  
high within twenty-four hours and  
now the republicans are busy figur-  
ing on some new scheme that will  
not die in the shell, to use an cam-  
paign buncomb.—Oklustee Optimist.

The laboring people contiguous to  
Enid were made glad by the passage  
of Senate Bill No. 17 in the House  
of Feb. 15th. This bill provides for  
the establishing of a free employ-  
ment bureau by the state at that  
point and will fill a long felt neces-  
sity in that locality.

The house passed Senate Bill No.  
28 by Graham, Feb. 15th, by a vote  
of 53 to 1. The bill provides for the  
regulation of contracts of surety be-  
tween common carriers and their em-  
ployees and sureties upon such con-  
tracts and fixes penalties for viola-  
tion.

President Taft's defense of the tar-  
iff consists in pointing to the re-  
moval of duty from hides. But that  
doesn't keep the trusts from skinning  
us alive in everything else.

Speaker Cannon says he has al-  
ways fought for the people. Yes, as  
a dog fights for a bone.

Hogs have reached the record price.  
Their human proteges seem to be

### GENERAL ABE CROW STILL IN BATTLE FRONT

General Abe Crow, after four weeks  
illness, is again mingling among his  
friends. While his continued illness  
effected to some extent, Uncle Abe's  
ginger supply, he is still optimistic  
and busy with the important, if fine-  
ly sentimental, duties of his U. C. V.  
commandership.

### Senator Smith Improving.

Washington, Feb. 22.—Senator Wil-  
liam Alden Smith of Michigan, who  
yesterday underwent a surgical opera-  
tion for appendicitis at the Homeo-  
pathic hospital here, passed a rather  
uncomfortable night but was reported  
by his physicians this morning as  
resting easy with his condition some-  
what better.

### OKLAHOMA DEATHS

Lawton, Okla., Feb. 21.—With the  
whole left front and top of his skull  
crushed in with a claw hammer, a  
bullet wound piercing his heart and  
lying stretched on the floor near the  
front door of his own home, eight  
miles east of Fletcher, J. F. Mitchell,  
teacher in the Cannon School near  
Fletcher, was found at 10 o'clock  
this morning.

A Mexican was arrested and placed  
in the county jail, charged with the  
murder.

Muskogee, Okla., Feb. 21.—Patrick  
Finn, 50 years old, the powder man  
for a stone crushing company, asleep  
on the track, was run over by a  
Frisco train at Fort Gibson today  
and killed.

Guthrie, Okla., Feb. 21.—Secretary  
of State Bill Cross has been notified  
of the death of Gen. Edmund Mc-  
Kenna of Poteau, which occurred  
suddenly last Saturday. Gen. McKen-  
na was a prominent Confederate  
veteran.

## DEATH CLAIMS DR. M'MILLAN

O'CLOCK.

One of Ada's Best Citizens and Lead-  
ing Professional Men Succumbs  
After Long Illness.

Dr. C. W. McMillan died this morn-  
ing at 6:10 o'clock after an illness of  
several months. Something like a  
year ago he was seized with a cold  
which later developed into the dread-  
ed and fatal tuberculosis. He sought  
relief on the high plains of western  
Kansas, but not improving he re-  
turned to spend the remaining days  
with his estimable and devoted fam-  
ily, a wife and two sons. For months  
he has been helplessly confined to  
his bed, put never complaining in  
the least degree. He was brave to  
the last, aware all the while that he  
soon must yield, yet cheerful and  
stoical in the face of the inevitable.

Further mention of the deceased  
will appear in these columns Wed-  
nesday.

The funeral services will be held  
at the home on the corner of 14th and  
Townsend, Wednesday at 2:30. Rev.  
J. D. White and Rev. O. E. Fowler,  
officiating. Following interment of  
the remains will take place at Rose-  
dale cemetery.

## WANTS NEGRO BRUTE HUNG

Prosecuting Attorney of Kansas City  
Asks for Death Penalty for  
Black.

Kansas City, Feb. 22.—Seven little  
girls were taken before the grand  
jury Saturday to tell of the alleged  
attacks upon them by William Jack-  
son, negro janitor of the Adline flats,  
in which the girls lived. Prosecutor  
Conkling says he will ask that the  
death penalty be inflicted, which is  
provided for that offense in Missouri.  
Jackson, who was arrested Friday,  
at the examination before police cap-  
tain Whitsett and assistant prose-  
cutor Higgs admitted the crimes. He  
declared he bought the girls for the  
girls and induced them to go into  
the furnace room.

During the examination at the po-  
lice station patrolman Ake, uncle of  
one of the girls, drew a revolver and  
tried to shoot Jackson, but was pre-  
vented by other policemen.

### ODELL AGAINST WOODRUFF.

Visit of New Yorker to Washington  
Starts a Rumor.

Washington, Feb. 22.—The ap-  
pearance of former Governor R. B.  
Odell of New York at the capitol to-  
day and his conference on the floor  
of the house of representatives with  
members of the New York delegation  
caused a flurry of excitement among  
political watchers, and soon started  
the rumor saying that Mr. Odell had  
come to Washington with the purpose  
of lining up the New York congress-  
men against the re-election of Tim-  
othy L. Woodruff as Republican state  
chairman.

The report met with out denial. It  
was stated that Mr. Odell had come  
to Washington to attend the annual  
dinner of the Tapeworm club Mon-  
day night. The inquiries as to Mr.  
Odell, however, brought out the fact  
that Representative E. B. Vreeland of  
New York is to be urged for Mr.  
Woodruff's place, and that he will  
probably have the support of many  
members of the congressional dele-  
gation.

tery this morning, that A. W. Fabrey  
and was fined \$50 and costs  
which he paid.

### Prisoners Brought Back.

Three prisoners were brought here  
from the penitentiary yesterday to  
be tried in this term of district court.

ter who is charged with horse steal-  
ing.

### Afternoon Session.

Oscar Poe came to trial about 2  
o'clock with a charge of horse steal-  
ing against him. Jimmie Underwood,  
an Indian, was the plaintiff and ow-  
ing to his inability to savvy the Eng-  
lish language an interpreter was  
necessary to get the business in  
shape so it could be handled. The  
testimony was that Underwood's  
horse was taken from his lot near  
Jesup about January 4, 1908. S. W.  
Frederick, marshal of Maud, arrested  
Poe with a horse which he turned  
over to Underwood. J. J. Lindly, who  
lives near Maud, saw the horse and  
recognized it as Underwood's.

Poe was put on the stand and  
swore that he bought the horse at  
Beggs, paying \$60 for it. On January  
4 he was in the Creek nation. He ad-  
mitted having been arrested at Maud.  
It was brought out in the trial that  
Poe, some time ago, escaped the  
county jail here, running out of the  
jail yard. He had no witnesses by  
whom to prove his alibi.

At four o'clock the jury had not  
returned a verdict.

### BARK SIGHTS BUOY AT SEA.

Philadelphia, Feb. 22.—A life buoy  
marked with four letters, which  
may have been from the missing  
United States naval tug Nina, was  
sighted drifting at sea by the bark  
Good News, now in port from Jack-  
sonville. Captain Erickson of the  
bark says that on February 11 he  
passed considerable wreckage, among  
which was the buoy. The captain did  
not know the Nina was missing and  
did not make a close inspection of  
the buoy.

### UNHAPPINESS DISPELLED.

## POLICEMEN ENTER STREET CAR STRIKE

UNION LEADER IS PLACED UN-  
DER ARREST.

200 Soldiers Sworn on Duty—Strik-  
ers Attempt to Work May  
Cause Trouble.

Philadelphia, Pa., Feb. 22.—Police  
officials took the initiative last night  
in the war being waged between the  
striking car men and the officials  
of the Philadelphia Rapid Transit  
company, when they arrested Claren-  
ce O. Pratt, the National organiz-  
er of the Amalgamated Association  
of Street and Electric Railway Em-  
ployes, on a warrant charging him  
with "conspiracy to incite a riot."  
The warrant was served on Pratt  
as he was leaving an automobile in  
which he had attended today's mass  
meeting of the union carmen. He was  
locked up in the city hall and held  
to await a hearing tomorrow. It is re-  
ported warrants have been issued  
for other labor leaders as a result  
of a conference held late today be-  
tween District Attorney Roland, Di-  
rector of Public Safety Clay and Mag-  
istrate Heaton.

### Police Force Augmented.

The police force was augmented to-  
night by swearing in for riot duty  
the State Fencibles, an independent  
organization of 200 members not af-  
filiated with the national guard, but  
which served during the Spanish war.  
Under the agreement which they  
hold their armory from the city they  
are obliged to perform police duty  
when called upon. They will appear  
in their regular uniforms, armed with  
rifle and bayonet.

Plans are also being discussed to-  
night by commanders of three regi-

ments of the Philadelphia National  
Guard to mobilize their troops at a  
moment's notice. The mayor is en-  
titled to call upon these troops un-  
der a special act of the Assembly.  
Adjutant General Stewart is here and  
if necessary a call for outside troops  
can be made at any time, but this  
is not contemplated at present.

The regular force of 3,500 police  
and 3,000 specials was augmented to-  
day by the swearing in of sixty-six  
park guards and 500 city employes  
of other departments. These men will  
begin service tomorrow and relieve  
the worn-out policemen.

### WANTS PACKERS IMPRISONED.

New Jersey Prosecutor Says He Will  
Not Be Satisfied With Fines.

New York, Feb. 22.—Prosecutor  
Garven of Jersey City said today that  
if indictments are handed down by  
the Hudson county grand jury  
against the directors of the National  
Packing company he will not be sat-  
isfied with fines, but will move for  
imprisonment, in cases of conviction.  
The extreme penalty for conspiracy  
in restraint of trade under the New  
Jersey law is three years imprison-  
ment and \$1,000 fine.

Hudson grand juries have been  
known to change their minds after  
voting for an indictment before it  
was formally presented, but as it is  
understood that the vote taken by  
the present jury last night was unan-  
imous, it is not believed that there  
will be any reversal of decision be-

## FEW MARRIAGE LICENSES ISSUED

ONLY EIGHT UP-TO-DATE THIS MONTH.

Matrimony Business Is on the Slow Order—Twenty-five Issued in January.

What's the reason the matrimony business is on the drag?

An examination of the license record this morning showed that it is so. Up to today there have been but eight marriage licenses issued this month. The first one was issued on the 5th and the last one on the 19th. That's a poor record for Ada and pontotoc county wherein live as pretty girls as anywhere on the map. So the scarcity of girls—pretty girls, too—is not the reason of such a small number of weddings. When asked if he thought the high cost of living was the cause, the clerk said no, that the high cost of living, or anything else, wouldn't keep a fellow from marrying when he once gets "set" in his notion. And another thing—here's encouragement for the "old single boys"—the best way to combat the high prices is for the boys to marry his one best girl, settle down and save his money. Do that and the high prices won't hurt you much. The clerk said this and he ought to know as he's seen a lot of 'em go this way.

January Did Very Well.

Now the month of January did very well. Twenty-eight papers were issued and they began right at the first and kept the pace until near the last. The first license was put out on the first day and the last one on the 29th.

## TO THE PUBLIC.

Having purchased the interest of my partner, T. J. Daugherty, in the hardware business formerly conducted under the firm name of "Collins & Daugherty," we will continue in business at the old stand in the J. K. Reed building, on the South side of Main street, in the City of Ada, Oklahoma.

We wish to thank our friends and patrons for all past favors and hope to merit and receive their continued patronage.

We expect to carry a complete line of hardware, and try to please you by meeting all honest competition, and by giving you just and honest treatment at all times. We would like to see you at our store and promise you value received for every dollar spent with us.

Believing that we can serve our customers better and save them money by doing so, we will, beginning March 1st, 1910, sell for cash only, except builders hardware which we will carry on account until building upon which it is being used is completed.

We do this not because we have lost faith in our fellow men, but because it will permit us to pay cash for our goods, and take the discount on our bills, thereby enabling us to give our patrons lower prices than we could do and run a credit business.

Mr. Wardlow will remain with us, and every body knows that they get a square deal when they trade with "Toke."

Our motto shall be, "Low Prices and a Square Deal for Cash."

Yours very truly,

## EXERCISES AT SUNRISE SCHOOL

WASHINGTON'S BIRTHDAY IS OBSERVED.

Hon. Robert Wimblish Delivers Address—Rev. White Unable to Be on Program.

The exercises at Sunrise school in honor of Washington's birthday were apparently greatly enjoyed by all the visitors present.

Every one regretted that owing to the death of Dr. MacMillan, Rev. White could not be present.

After assembling in front of the building the school sang our national song, "America."

This was followed by an essay on "The Life of Washington," delivered in a very creditable manner by Guy Woodard.

The captains of the third and fourth grades then raised the flag, which was greeted with applause.

The Third and Fourth grades then sang a song, "Salute the Flag," at the close of which the whole school joined in a verbal salute in which they pledged "their hands, heads, and hearts," to their country and the "one flag."

The company then repaired to Mr.

Wimblish delivered an appropriate address, which was greatly enjoyed by all and which should be an inspiration to every boy and girl present. After the address the school was dismissed for the rest of the day.

## GOV. READS HIS 14TH MESSAGE

IS THE LAST ONE OF THE SESSION

Senate Spends Most of the Day Considering Smith Fee and Salary Bill

Guthrie, Okla., Feb. 21.—Gov. Haskell's fourteenth special message to the Legislature delivered today indicated that it would probably be the last for the special session, as about all of the subjects, he said, had been submitted. In the Senate, President Pro Tem Graham presiding suggested that members interested in the matters should get their bills in by tomorrow, as there was a determined effort to end the session next week. The announcement brought applause in the Senate chamber.

The subjects referred to by the Governor today were regulation erection of bridges which are to be used for street car as well as public travel; requiring that the rate of interest now charged for deposits of State money be made applicable to deposits of all public money; for the release of chattel mortgages when same are paid; for exemption of fraternal insurance companies from payment of privilege taxes now imposed upon licensed companies; for taxing of mining properties held under lease for legislation upon the recall, with no suggestion, however, as to whether it would affect State, county, district or city officials; for purity of the ballot and prohibiting certain interests from contributing to the election of local officers, special reference being made to the persons engaged in the sale of whiskey and conducting gambling houses.

### Senate in Caucus

The Senate spent most of the day in caucus, considering the Smith fee and salary bill, and is thought will have it in shape for final passage in the Senate tomorrow or next day. Senate committee reports recommended passage in the Senate of a bill creating the positions in school land department, appropriating \$33,272.40 to reimburse the school fund for money illegally expended by the department; the Rogers resolution making Snyder's announced statutes the presumptive law of the State; Russell's bill authorizing appointment of special attorneys and Sheriffs to assist Grand Jurors; the Taylor bill establishing a measure of mental anguish damages against telegraph companies; and the bill appropriating \$10,000 for heating and lighting plant at the Weatherford normal.

The Anthony bill fixing the maximum tax levies which may be made without a vote of the people was also recommended, being amended to allow counties one mill additional for roads and bridges, and levy sufficient to pay interest on indebtedness and to create sinking fund.

An unfavorable report was made upon the bill by Senator Allen requiring the working of convicts on the public roads, and authorizing the penitentiary warden to purchase tools, etc.

### On Stewart Bill.

The Senate reconsidered its vote on the Stewart bill terminating the guardianship as to personal property of a minor ward at marriage and then killed the bill by a vote of 14 to 13. The House bill by Paschal making Gage a court town in Ellis county was given the emergency clause and passed.

In the House Representative Lockwood presented a resolution regarding the recent controversy between the people of Marlow and the board locating the district agricultural schools, and calling for the investigating committee to look into the reports, as well as to investigate the locations of all the district agricultural schools. It was referred to the committee.

House committee reports killed the \$45,000 appropriation for the Claremore School, the \$200,000 appropriation for the McAlester penitentiary and the \$100,000 appropriation for the school for the deaf at Sulphur. The McAlester bill was ordered on the calendar by a vote of the House, but a vote to so treat the Sulphur bill failed.

The House advanced a large list of bills to third reading, among them that giving to either of the first class

CORONER'S JURY DOES NOT FIX MURDER BLAME.

Chief of Police Egan's Testimony Hurts Sheriff Nellis' Case. Jury Dissolved.

Cairo, Ill., Feb. 22.—No individual Deputy Sheriff was named in the verdict of the Coroner's Jury which investigated the death of Alexander M. Halliday, who was killed in the mob Thursday night seeking the life of John Pratt, the negro purse snatcher. The verdict was returned tonight soon after the taking of the testimony of many witnesses.

It found that Halliday came to his death by a gunshot wound caused by a weapon held in the hands of one of Sheriff Fred D. Nellis' deputies, fired from the north window of the Circuit Clerk's office in the court house.

The happenings of the day did not tend to allay the excitement of the citizens. Judge W. N. Butler dissolved the grand jury at the request of the jurors and now Sheriff Nellis will have the selection of a new grand jury, which probably will convene March 7.

In addition to dissolving the grand jury, Judge Butler adjourned court for two weeks because of the unusual excitement. The arrival of Company H. of Shelbyville, made the number of militiamen on duty here about 350. The new arrivals immediately began the patrolling of the city.

The Coroner's Jury recalled several of the negro Deputy Sheriffs and quizzed them as to who fired the rifle that used steel jacketed bullets. Each witness denied being responsible for Halliday's death. Chief of Police Egan told the jurors that Sheriff Nellis refused to allow him to go to Halliday's body in the courtyard.

## BIG FIGHT COMES OFF TODAY

Nelson and Wolgast in Great Shape for Championship Fight This Afternoon.

San Francisco, Feb. 22.—Battling Nelson and Ad Wolgast, the lightweights, who will battle for the championship this afternoon at Richmond, on the eastern shores of San Francisco Bay, have ceased training and are ready for the time keeper's signal to start them on their 45-round journey.

Each fighter expressed himself tonight certain of victory and the consensus of opinion of fight followers presages a contest that will make ring history. The feeling between the rival pugilists is extremely bitter and there is no question but the battle will carry with it more than the purse and title.

Nelson and Wolgast are well under the required 133 pounds, ringside weight, the champion being the heavier by a few ounces. Wolgast said: "I desire to win this championship in a clean, sportsmanlike manner—that is, I do not want to win it on a foul—and unless I am rendered helpless by such tactics I shall overlook them."

Champion Nelson also expressed his determination to waive fouls unless they were of a serious nature.

Although the weather bureau predicts showers for tomorrow, the advance sale indicates a record-breaking attendance, rain or shine.

Betting on the result is heavy.

the odds favoring Nelson at 10 to 7 but with plenty of short end money in evidence. Considerable wagering on the eve of the contest is registered, even money being offered that Wolgast would stay twenty-five rounds.

**IN TORTURED HOMES**  
The fiendish acts of late occur-

clearly emphasizes the fact that the  
greater amount of recognition ac-  
corded the negro, the greater men-

of the ballot to the negro has been  
primarily responsible for the untold  
sufferings and indescribable humili-  
ations he has inflicted, and continues  
to inflict upon many homes through-

Wherever not within constitutional

limitations, the right of suffrage  
should be taken from the negro.

point and will fill a long felt neces-  
sity in that locality.

The house passed Senate Bill No.  
28 by Graham, Feb. 15th, by a vote  
of 53 to 1. The bill provides for the  
regulation of contracts of surety be-  
tween common carriers and their em-  
ployees and sureties upon such con-  
tracts and fixes penalties for viola-  
tion.

President Taft's defense of the tar-  
iff consists in pointing to the re-  
moval of duty from hides. But that  
doesn't keep the trusts from skinning  
us alive in everything else.

## GENERAL ABE CROW STILL IN BATTLE FRONT

General Abe Crow, after four weeks  
illness, is again mingling among his  
friends. While his continued illness  
effected to some extent, Uncle Abe's  
ginger supply, he is still optimistic  
and busy with the important, if fin-  
ely sentimental, duties of his U. C. V.  
commandership.

resting easy with his condition some-  
what better.

miles east of Fletcher, J. F. Mitchell,

## DEATH CLAIMS DR. McMILLAN

LEAVES THIS WORLD AT SIX  
O'CLOCK.

One of Ada's Best Citizens and Lead-  
ing Professional Men Succumbs  
After Long Illness.

Dr. C. W. McMillan died this morn-  
ing at 6:10 o'clock after an illness of  
several months. Something like a  
year ago he was seized with a cold  
which later developed into the dread-  
ed and fatal tuberculosis. He sought  
relief on the high plains of western  
Kansas, but not improving he re-  
turned to spend the remaining days  
with his estimable and devoted fam-  
ily, a wife and two sons. For months  
he has been helplessly confined to  
his bed, put never complaining in  
the least degree. He was brave to  
the last, aware all the while that he  
soon must yield, yet cheerful and  
stoical in the face of the inevitable.

Further mention of the deceased  
will appear in these columns Wed-  
nesday.

The funeral services will be held  
at the home on the corner of 14th and  
Townsend, Wednesday at 2:30. Rev.  
J. D. White and Rev. O. E. Fowler,  
officiating. Following, interment of  
the remains will take place at Rose-  
dale cemetery.

## WANTS NEGRO BRUTE HUNG

Prosecuting Attorney of Kansas City  
Asks for Death Penalty for  
Black.

Kansas City, Feb. 22.—Seven little  
girls were taken before the grand  
jury Saturday to tell of the alleged  
attacks upon them by William Jack-  
son, negro janitor of the Adline flats,  
in which the girls lived. Prosecutor  
Conkling says he will ask that the  
death penalty be inflicted, which is  
provided for that offense in Missouri.  
Jackson, who was arrested Friday,  
at the examination before police cap-  
tain Whitsett and assistant prose-  
cutor Higgs admitted the crimes. He  
declared he bought the girls for the  
girls and induced them to go into  
the furnace room.

During the examination at the po-  
lice station patrolman Ake, uncle of  
one of the girls, drew a revolver and  
tried to shoot Jackson, but was pre-  
vented by other policemen.

## ODELL AGAINST WOODRUFF.

Visit of New Yorker to Washington  
Starts a Rumor.

Washington, Feb. 22.—The ap-  
pearance of former Governor B. B.  
Odell of New York at the capitol to-  
day and his conference on the floor  
of the house of representatives with  
members of the New York delegation  
caused a flurry of excitement among  
political watchers, and soon started  
the rumor flying that Mr. Odell had  
come to Washington with the purpose  
of lining up the New York congress-  
men against the re-election of Tim-  
othy L. Woodruff as Republican state  
chairman.

The report met with uat denial. It  
was stated that Mr. Odell had come  
to Washington to attend the annual  
dinner of the Tapeworm club Mon-  
day night. The inquiries as to Mr.  
Odell, however, brought out the fact  
that Representative E. B. Vreeland of  
New York is to be urged for Mr.  
Woodruff's place, and that he will  
probably have the support of many  
members of the congressional dele-  
gation.

tery this morning, that A. W. Fabrey  
and was fined \$50 and costs  
which he paid.

## Prisoners Brought Back.

Three prisoners were brought here  
from the penitentiary yesterday to  
be tried in this term of district court.  
They are as follows: Wm. McKellopp,  
charged with forgery. Is now serv-

stealing. Now serving time for same

the last term of district court for  
horse stealing. Is brought back as a  
witness in the case of Will Poindex-  
ter who is charged with horse steal-  
ing.

## Afternoon Session.

Oscar Poe came to trial about 2  
o'clock with a charge of horse steal-  
ing against him. Jimmie Underwood,  
an Indian, was the plaintiff and ow-  
ing to his inability to savvy the Eng-  
lish language an interpreter was  
necessary to get the business in  
shape so it could be handled. The  
testimony was that Underwood's  
horse was taken from his lot near  
Jeap about January 4, 1908. S. W.  
Frederick, marshal of Maud, arrested  
Poe with a horse which he turned  
over to Underwood. J. J. Lindly, who  
lives near Maud, saw the horse and  
recognized it as Underwood's.

Poe was put on the stand and  
swore that he bought the horse at  
Beggs, paying \$60 for it. On January  
4 he was in the Creek nation. He ad-  
mitted having been arrested at Maud.  
It was brought out in the trial that  
Poe, some time ago, escaped the  
county jail here, running out of the  
jail yard. He had no witnesses by  
whom to prove his alibi.

At four o'clock the jury had not  
returned a verdict.

## BUY CHICKASAW CAPITOL.

Johnston County Commissioners For-  
ward First Payment.

Tishomingo, Ok., Feb. 21.—Saturday  
evening the Commissioners of John-  
ston county forwarded to the Indian  
Agent at Muskogee a draft for \$7,500  
on the special court house fund of  
the county just created by a special  
act of the legislature, in payment for  
the Capitol of the Chickasaw Nation.  
Thus the imposing and historic  
granite building where for years as-  
sembled the congress of the Chicka-  
saw Nation becomes the property  
of this county and will be used in  
the future for a court house.

## BARK SIGHTS BUOY AT SEA.

Philadelphia, Feb. 22.—A life buoy  
marked with four letters, which  
may have been from the missing  
United States naval tug Nina, was  
sighted drifting at sea by the bark  
Good News, now in port from Jack-  
sonville. Captain Strickson of the  
bark says that on February 11 he  
passed considerable wreckage, among  
which was the buoy. The captain did  
not know the Nina was missing and  
did not make a close inspection of  
the buoy.

## UNHAPPINESS DISPELLED.

Men and Women Unanimous About It.  
Many women weep and wail and refuse  
to be comforted because their once mag-  
nificent tresses have become thin and  
faded. Many men incline to profanity  
because the flies bite through the thin  
thatch on their craniums. It will be good  
news to the miserable of both sexes, to  
learn that Newbro's Herpicide has been  
placed upon the market. This is the new  
scalp germicide and antiseptic that acts  
by destroying the germ or microbe that  
is the underlying cause of all hair de-  
struction. Herpicide is a new prepara-

entirely new principle. Anyone who has

## POLICEMEN ENTER STREET CAR STRIKE

UNION LEADER IS PLACED UN-  
DER ARREST.

300 Soldiers Sworn on Duty—Strik-  
ers Attempt to Work May  
Cause Trouble.

Philadelphia, Pa., Feb. 22.—Police  
officials took the initiative last night  
in the war being waged between the  
striking car men and the officials  
of the Philadelphia Rapid Transit  
company, when they arrested Clar-  
ence O. Pratt, the National organiz-  
er of the Amalgamated Association  
of Street and Electric Railway Em-  
ployes, on a warrant charging him  
with "conspiracy to incite a riot."  
The warrant was served on Pratt  
as he was leaving an automobile in  
which he had attended today's mass  
meeting of the union carmen. He was  
locked up in the city hall and held  
to await a hearing tomorrow. It is re-  
ported warrants have been issued  
for other labor leaders as a result  
of a conference held late today be-  
tween District Attorney Roland, Di-  
rector of Public Safety Clay and Mag-  
istrate Heaton.

## Police Force Augmented.

The police force was augmented to-  
night by cowering in for riot duty  
the State Fencibles, an independent  
organization of 200 members not af-  
filiated with the national guard, but  
which served during the Sappish war.  
Under the agreement which they  
hold their armory from the city they  
are obliged to perform police duty  
when called upon. They will appear  
in their regular uniforms, armed with  
rifle and bayonet.

Plans are also being discussed to-  
night by commanders of three regi-

ments of the Philadelphia National  
Guard to mobilize their troops at a  
moment's notice. The mayor is en-  
titled to call upon these troops un-  
der a special act of the Assembly.  
Adjutant General Stewart is here and  
if necessary a call for outside troops  
can be made at any time, but this  
is not contemplated at present.

The regular force of 3,500 police  
and 3,000 specials was augmented to-  
day by the swearing in of sixty-six  
park guards and 500 city employes  
of other departments. These men will  
begin service tomorrow and relieve  
the worn-out policemen.

## WANTS PACKERS IMPRISONED.

New Jersey Prosecutor Says He Will  
Not Be Satisfied With Fines.

New York, Feb. 22.—Prosecutor  
Garven of Jersey City said today that  
if indictments are handed down by  
the Hudson county grand jury  
against the directors of the National  
Packing company he will not be sat-  
isfied with fines, but will move for  
imprisonment, in cases of conviction.  
The extreme penalty for conspiracy  
in restraint of trade under the New  
Jersey law is three years imprison-  
ment and \$1,000 fine.

Hudson grand juries have been  
known to change their minds after  
voting for an indictment before it  
was formally presented, but as it is  
understood that the vote taken by  
the present jury last night was unan-  
imous, it is not believed that there  
will be any reversal of decision be-  
fore the jury meets again next Wed-  
nesday afternoon.

## FEW MARRIAGE LICENSES ISSUED

ONLY EIGHT UP-TO-DATE THIS MONTH.

Matrimony Business Is on the Slow Order—Twenty-five Issued in January.

What's the reason the matrimony business is on the drag?

An examination of the license record this morning showed that it is so. Up to today there have been but eight marriage licenses issued this month. The first one was issued on the 5th and the last one on the 18th. That's a poor record for Ada and pontotoc county wherein live as pretty girls as anywhere on the map. So the scarcity of girls—pretty girls, too—is not the reason of such a small number of weddings. When asked if he thought the high cost of living was the cause, the clerk said no, that the high cost of living, or anything else, wouldn't keep a fellow from marrying when he once gets "set" in his notion. And another thing—here's encouragement for the "old single boys"—the best way to combat the high prices is for the boys to marry his one best girl, settle down and save his money. Do that and the high prices won't hurt you much. The clerk said this and be ought to know as he's seen a lot of 'em go this way.

January Did Very Well. Now the month of January did very well. Twenty-eight papers were issued and they began right at the first and kept the pace until near the last. The first license was put out on the first day and the last one on the 29th.

## TO THE PUBLIC.

Having purchased the interest of my partner, T. J. Daugherty, in the hardware business formerly conducted under the firm name of "Collins & Daugherty," we will continue in business at the old stand in the J. K. Reed building, on the South side of Main street, in the City of Ada, Oklahoma.

We wish to thank our friends and patrons for all past favors and hope to merit and receive their continued patronage.

We expect to carry a complete line of hardware, and try to please you by meeting all honest competition, and by giving you just and honest treatment at all times. We would like to see you at our store and promise you value received for every dollar spent with us.

Believing that we can serve our customers better and save them money by doing so, we will, beginning March 1st, 1910, sell for cash only, except builders hardware which we will carry on account until building upon which it is being used is completed.

We do this not because we have lost faith in our fellow men, but because it will permit us to pay cash for our goods, and take the discount on our bills, thereby enabling us to give our patrons lower prices than we could do and run a credit business.

Mr. Wardlow will remain with us, and every body knows that they get a square deal when they trade with "Tobe."

Our motto shall be, "Low Prices and a Square Deal for Cash."

## EXERCISES AT SUNRISE SCHOOL

WASHINGTON'S BIRTHDAY IS OBSERVED.

Hon. Robert Wimbish Delivers Address—Rev. White Unable to Be on Program.

The exercises at Sunrise school in honor of Washington's birthday were apparently greatly enjoyed by all the visitors present.

Every one regretted that owing to the death of Dr. MacMillan, Rev. White could not be present.

After assembling in front of the building the school sang our national song, "America."

This was followed by an essay on "The Life of Washington," delivered in a very creditable manner by Guy Woodard.

The captains of the third and fourth grades then raised the flag, which was greeted with applause.

The Third and Fourth grades then sang a song, "Salute the Flag," at the close of which the whole school joined in a verbal salute in which they pledged "their hands, heads, and hearts," to their country and the "one flag."

The company then repaired to Mr.

Second room where Hon. Robert Wimbish delivered an appropriate address, which was greatly enjoyed by all and which should be an inspiration to every boy and girl present. After the address the school was dismissed for the rest of the day.

# REDISTRICTING BILL IN SHAPE

NUMBER OF JUDGES IS INCREASED ONE.

Judicial Districts Are Reduced Three in Number—Complete List of Districts.

Outhrie, Ok. Feb. 22.—The joint democratic caucus has worked into shape the bill redistricting the State judicially which reduces the number of judicial districts three in number and increases the number of judges one. At present there are no more than two judges regularly assigned to a given district whereas under the proposed apportionment some will have three judges in such cases, however the districts being proportionately enlarged by the number of counties. The largest district is the Seventeenth with three judges and to be composed of twelve counties. Under the rule where a district has more than one judge and the district is composed of more than one county no more than one judge may be elected from the same county. Judges are to be elected at large within the district thus insuring a district in place of a county control.

The following are the districts proposed in the bill subject to one or

two other changes.

District No. 1—One judge, five counties: Adair, Cherokee, Delaware, Sequoyah and Mayes.

District No. 2—Two judges, six counties: Craig, Nowata, Rogers, Ottawa, Washington and Osage.

District No. 3—Three judges, six counties: Muskogee, McIntosh, Pittsburg, Hughes, Pontotoc and Coal.

District No. 4—Two judges, six counties: Haskell, Latimer, Latimer, Cherokee, McClain and Pushmataha.

District No. 5—One judge, two counties: Bryan and Marshall.

District No. 6—One judge, two counties: Atoka and Johnston.

District No. 7—One judge, two counties: Love and Carter.

District No. 8—One judge, three counties: Wagoner, Okmulgee and Okfuskee.

District No. 9—One judge, three counties: Lincoln, Pottawatomie and Seminole.

District No. 10—One judge, two counties: Logan and Kingfisher.

District No. 11—One judge, two counties: Cheek and Payne.

District No. 12—One judge, three counties: Grant, Kay and Noble.

District No. 13—Three judges, five counties: Cleveland, Garvin, McClain, Murray and Oklahoma.

District No. 14—Two judges, three counties: Comanche, Jackson and Tillman.

District No. 16—One judge, four counties: Blaine, Custer, Kiowa and Washita.

District No. 17—Three judges, twelve counties: Beckham, Dewey,

Ellis, Harmon, Greer, Roger, Mills, Woods, Woodward, Harper, Beaver, Texas and Cimarron.

District No. 18—One judge, three counties: Alfalfa, Garfield and Major.

District No. 19—One judge, two counties: Pawnee and Tulsa.

It is figured that not to exceed five or possibly six of the districts will not be democratic, and it is possible that a change will be made in the Logan-Kingfisher county district, known to be republican, by adding other counties on the south.

Provision is made in the bill for a transfer of the court business of a county from one district to another when the county is likewise transferred from one district to another and if at the time the act takes effect the new district calls for more judges than now exist the governor is empowered to appoint them. The bill carries the emergency clause.

## The Fighting Parson.

God bless her! A heart of gold! A mind as broad and pure as the heavenly blue! Would that this country contained more such souls—Robert Spaulding in "The Fighting Parson." Robert Spaulding known as "The Fighting Parson" is the leading character in W. F. Mann's production of the same title that comes to the opera house on Thursday Feb. 24.

It is a pastoral comedy drama written by John A. Preston whose success as a playwright needs no introduction to the theatre going public. All the dramatic critics claim this to be Mr. Preston's best work and Mr. W. F. Mann that successful producing manager of Chicago has mounted the piece with special settings and a cast second to none. It is a well told story of a young minister's struggle for right and success against so many odds but his faith in God is strong never gets discouraged and has but one maxim: "There is some good in all of us." His love scenes are tender and pathetic. His emotional scenes strong and stern. This consummation in a character makes it one to be admired. It is a great moral sermon with a strong heart interest. You laugh you shed a tear and leave the theatre feeling that there is still good in this grand and glorious world and put your faith in God. Characters like "The Fighting Parson" cannot help but succeed which of course he does.

## HAVE'N GIVEN UP HOPE.

Relatives Still Expect to See Men Aboard Missing Nina.

Washington, Feb. 22.—Hope of again seeing their loved ones, who in the service of the country left Norfolk February 6 in the little United States navy tug Nina bound to Boston which has been missing still lingers in the hearts of the parents, wives and kin, even though officials of the United States navy have given up the vessel as lost.

I have not given up hope of seeing my boy again as I believe the Nina has been driven farther out into the ocean said Mrs. V. L. Fowler mother of Clarence E. Fowler, chief boatswain's mate of the Nina, at his home here today. His wife is still at Norfolk awaiting his return but my other son expects to go there shortly and bring her to Washington.

Boatswain Croghan's father who lives here says he will never give up hope of seeing his son alive.

## CAUSES DEBILITY.

Here Are Facts Backed Up by a Strong Guarantee.

Catarah causes debility in our opinion most people suffering from general debility have catarah. Such cases of debility cannot be completely cured by medicine not designed to eradicate catarah. In every case where our remedy fails to give entire satisfaction we will not charge a cent for the medicine employed during the trial. Now surely no one should hesitate to believe us or to put our claim to a practical test under such conditions. We will take all the risk no one else can lose anything by the transaction.

We make these statements and this offer because we know and have time and again proved that Revall Muc-Tone fails to do as we claim. It is not a cure all prescribed to cure every disease that flesh is heir to. It is intended for one purpose: to cure catarah by assailing the diseased condition in a reasonable scientific way which is to employ agents that have been found to have the tonic and alternative power to correct faulty metabolism (tissue change) and to stimulate and help nature overcome the cause or causes of catarah. This being done appetite increases, nutrition improves, weight is gained, comfort of body is attained and life's work taken up with the zest natural to the perfectly healthy individual.

We want you to try Revall Muc-Tone. Follow directions and take it regularly and consistently for a reasonable length of time. Then, if you are not satisfied, come back and tell us and the money you paid for the treatment will be returned without any argument whatever.

Revall Muc-Tone comes in two sizes: 50c and \$1.00 a bottle. Sold only at our store—The Revall Store, The Gwin & Mays Drug Co., West Main St.

The Sweetest Sweet Potato Ever Sold on Your Market

The famous Bradley Yam you will find at the following grocery dealers: W. O. Neely, Walsh's grocery store, Texas Department store, Tobin's grocery store, McLain's grocery store at 45 cents a peck or \$1.75 in bushel lots.

This potato when cooked is a soft, juicy, candy potato and golden in color. If you ever eat them once you will never eat any other kind. Have your dealer send you a peck and give them a trial. We are placing our product on the foreign market from Oklahoma City to Atoka and have 75 retail dealers calling on us for potatoes. They will last about four weeks and we have this to say to the people of Ada: If you want something first-class in every respect better buy while they last. This potato is the finest there is for bedding and growing. It makes potatoes where all others fail. Our method of keeping the potato enables the grower to make plants with no chance of failure. The plants will come from the bed from 10 to 15 days earlier than any other we have ever tried.

Try them once and you will never be without them at any price.
